

## 2024 SOI SKILLBRIDGE INFORMATION SESSIONS

The SkillBridge Program offers a variety of courses to transitioning Service Members within their last 180 days of service. All courses train in high-need industries and offer a high probability of employment as each course provides job interviews, placements, and/or certifications. It is best to begin the application process early. We invite you to attend MCB Camp Pendleton's SOI SkillBridge Information Session that is held on the 2nd Thursday of every month. This brief will review MCB Camp Pendleton's host SkillBridge programs and application process.
